The screenshot shows a file management interface. At the top, there is a toolbar with several icons: a left arrow, a right arrow, a folder icon, a refresh icon, a close icon, a list view icon, and a grid view icon. The 'Upload' button, represented by a green plus sign, is circled in red. A red arrow points from the text 'Click on upload' to the 'Upload' button. Below the toolbar, there is a table with two columns: 'File' and 'Size'. The table is currently empty, with the text 'No records to display.' centered in the 'File' column.
