## 7<sup>th</sup> INTERNATIONAL SPACE PROPULSION CONFERENCE 08 - 12 FEBRUARY 2021 | ESTORIL, PORTUGAL

Dear All,

Thanks to your strong participation in our survey sent previously, we are able to have a clearer view of the current situation in every country and we have made the decision to reschedule the Conference mainly based on your opinion. Considering the well-being and safety of attendees and partners as the number one priority, SP2020 Conference co-chairs, Technical Committees Members and 3AF have jointly decide **to postpone the 7<sup>th</sup> Edition of Space Propulsion 2020 Conference for a few months.**

### SP2020 CONFERENCE POSTPONEMENT ANNOUNCEMENT

Due to the COVID-19 pandemic, as a precaution, it appears that this postponement is the most reasonable decision.

**SP2020 Conference will take place from 08 to 12 February 2021, Estoril - Portugal**

Please take good note that the program, location and venue will **remain unchanged** and feel free to share this information around you to avoid any omission.

### WHAT ABOUT MY PRESENTATION?

In view of this decision, **all accepted abstracts are being kept and automatically selected**, with the possibility for the authors to update their full papers.

Please be aware **that if we don't have any type of confirmation from you (which means registration settled, paper or presentation downloaded or email sent to us)**

**before 30 November 2020, your communication will be deleted from the programme.**

### HOW DO I REGISTER?

The early bird special rate will be available **until 05 October** in order to offer you extra time to validate your participation in SP2020, **the quality of our conference depends on your presence.** [Access the online registration website.](#)

An updated agenda for speakers and poster presenters is available [on our website](#) in order to fit with those new conference dates.

## SANITARY PROTOCOLE FOR SP2020

We will track any updates and measures imposed by the Portuguese health authorities to ensure that our event is as safe as possible for all attending.

For additional information about the specific sanitary protocole, [please download here](#)

We will continue to keep you updated as we learn more and formulate plans to ensure that the Space Propulsion Conference 2020 remains **the go-to event for our field**. Please take a moment to let us know if you have any questions and comments regarding this postponement.

**Your voice matters and we care about your feedback.**

**We know this is a very challenging time for everyone, and appreciate your understanding, patience, and continued support.**

Looking forward to see you in Estoril, we wish you to stay safe and to take good care of yourself and of your families,

With our best regards,

*SP2020 - The Organization Team*
